The accurate English test with fast results

The accurate English test with fast results

Linguaskill is a quick and convenient online test to help organisations check the English levels of individuals and groups of candidates. It tests all four language skills: speaking, writing, reading and listening.

It's fast and accurate, and can be easily administered and invigilated at your own venue at a time that suits you. The same test is used for all abilities.

It provides accurate results within 48 hours, with clear individual Test Reports and Group Reports. Results are aligned to the Common European Framework of Reference (CEFR), the international standard for describing language ability. Linguaskill also reports on the Cambridge English Scale to provide a more detailed understanding of performance.

There are also two test options, Business and General, so that you can test the type of English best suited for your organisation.

All you need to run the test is a computer, an internet connection, a microphone and a set of headphones.

Delivered by the experts

We are Cambridge Assessment English, part of the University of Cambridge. We provide the world's leading range of English language qualifications for higher education institutions.

In-depth reporting

You'll receive a Test Report showing a Cambridge English Scale score for each language skill, to help you easily make informed decisions and compare performance.

Supporting your needs

Easy to use

Linguaskill can be easily administered and invigilated at your own venue. Simply order tests via our online test platform and run them at a time that suits you.

- You can upload candidates' details in bulk, which will save you time in setting up the test.
- Monitor your test purchases and usage with Linguaskill's reporting function.

Comprehensive customer support

Receive help whenever you need it. We provide a comprehensive range of support materials, and our helpdesk is available to take your calls 24 hours a day, seven days a week.

Flexible and tailored

Modular testing

Linguaskill is a modular test which assesses reading, listening, writing and speaking. This gives you choice about the skills you want to assess.

The Reading and Listening module is adaptive: questions become easier or more difficult depending on an individual's previous answer.

Test options

Within Linguaskill there are two test options, General and Business. This lets you choose the type of English that will be tested, based on your objectives.

Linguaskill General

Linguaskill General tests English used in daily life, making it suitable for university admission and recruitment for roles in a non-business-specific environment. For example, where the employee needs strong English skills to perform their role effectively, but does not need specialist business terminology.

This makes the test suitable for a broad range of organisations. Test topics include studying and working, making future plans, travel and technology.

Linguaskill Business

Linguaskill Business tests English used in a business and corporate setting and is most suitable for recruitment in organisations where employees are expected to be familiar with the language of business.

It is suitable for large or small organisations, which may be operating on an international level. Test topics include the buying and selling of products or services, the office, business travel and human resources.

Results and reporting

Accurate and detailed

Gain insight into candidates' abilities with individual Test Reports, or compare a number of candidates using a Group Report. Results will be generated within 48 hours, with instant results for Reading and Listening.
